Derrick Anderson, MD

**CRCHC WELCOMES DERRICK ANDERSON, MD**

**Concord, NC** – Cabarrus Rowan Community Health Centers, Inc. (CRCHC), is pleased to announce that Derrick Anderson, MD has joined the Federally Qualified Community Health Center and will be seeing patients at McGill Family Medicine, located at 202D McGill Ave., NW, Concord, NC 28025.

Derrick Anderson, MD graduated from North Carolina State University before attending medical school at the Medical University of South Carolina in Charleston. Prior to joining CRCHC, Dr. Anderson has been working in Nebraska for the last twenty years before returning home to North Carolina. CRCHC is the third federally qualified community health center he has worked at.

“I have found my home working with a FQHC,” says Dr. Anderson. “I enjoy providing medical care for the underserved population.”

Dr. Anderson has three grown boys that live in the Midwest. His oldest son is preparing for Medical School, his middle son is preparing for Veterinary School, and his youngest is exploring his opportunities. Beyond medicine, Dr. Anderson enjoys coaching youth sports and spending valuable time with his family. He enjoys listening to a variety of music on CD’s, vinyl’s, and in concert.

Dr. Anderson is looking forward to working at CRCHC, and attending events and programs offered by the organization.

Cabarrus Rowan Community Health Centers, Inc. (CRCHC) is a community-based nonprofit organization founded in 2003 and dedicated to positively impacting the health of the community. CRCHC serves more than 12,000 patients annually by providing quality medical, dental, and behavioral health services, without regard for a patient’s ability to pay, and serves as a community resource for eliminating health disparities.
